The group acknowledges that when the Hotel reserves the rooms on behalf of the group, the Hotel does so to the exclusion of other business. The Group also understands that the Group's cancellation of this contract, or a substantial decrease in the number of rooms booked, will cause the Hotel to lose revenues. With this in mind, the group will have the opportunity to reduce its reservations if done so 24 hours prior to arrival without penalty. On the other hand, if reservations are cancelled inside the 24 hour time frame, the first night revenue will be charged to the guaranteed party. Group room assignments are subject to availability. We will do our best to honor all requests, but due to physical constructions, not all requests can be honored. Reservations must be guaranteed with a valid credit card. Check-in 3:00pm, Check-out 11:00am.
