

Olympic Kick Off Party Evening of November 2nd

Back From Downunder

I am back from Australia riding my bike and training around Cle Elum and Roslyn, enjoying the late summer and early fall, getting ready for the Olympic Kick Off Party November 2nd. The Olympic Kick Off Party will be held in Roslyn at the Northwest Improvement Building. And yes the first date for the Olympic Kick Off that was sent out last month was incorrect. So this is the correct date: **Saturday November 2nd**. The picture to the left is Mr. Sammy K saying goodbye to me as I left Australia as their winter turned to spring.

Allen Schaffler Joins Olympic Kick Off

Allen is the top Washington broadcaster in regards to the Olympics attending the last 7 Olympics as he provided commentary for King5 TV. Allen has become a family friend as he has covered my quest for the Olympics over the years. I am excited that Allen has joined our Olympic Kick Off party. He is going to bring Olympic stories and color to our event.

Off To The Water Ramps

My next stop is in Park City where I am going to be working on my air package at the Utah Olympic Park water ramps. This is my last trip to the water ramps before I start back on to snow in North America and finish getting ready for the winter World Cup season and 2014 Olympics.

Please Join Me For The Olympic Kickoff Party

Over the past few years our Fall Kick Off parties have been great fun. I deeply appreciate all of the support our community has given me over the years and I am going to do my best to bring back gold from the Sochi Olympics this February. So please join me the evening of November 2nd for a great time. Again thanks for all of the support you have given me.
