**Multnomah Athletic Club (MAC) Lead U14 Team Coach – MAC Alpine Ski Team – Portland, OR
PT; Seasonal**

MAC Alpine Ski Team is searching for an experienced Alpine Coach to lead its Buddy Werner Championship winning U14 Team program. Our U14 Team program offers US Ski and Snowboard track U14 athletes up to 5 training days (8 sessions) per week, fully supported coaching and team travel, and a dry land conditioning program at our world class facility in the heart of Portland, Oregon. The Lead U14 Team Coach is in charge of the entire program, including the training and competition calendar, athlete management and goal setting, parent education and relations, and is supported with a staff of excellent U14 Coaches. The Lead U14 Team Coach reports to the Program Director/Head Coach. As we look to take MAC Alpine Ski Team to the next level, we need the right candidate, with the perfect balance of experience, qualifications, and member service to help us achieve our goals. MAC Alpine Ski Team and FreeRide Team is a Certified US Ski and Snowboard Club, serving the members of the Multnomah Athletic Club at the highest level in multiple winter sports. As we strive to achieve the next level of Certification with US Ski and Snowboard, continuing to add to our positive team culture with expert coaches that are behind the Team's mission, vision and values is imperative.

Qualifications: Current professional certification from US Ski and Snowboard and/or PSIA/AASI, or has an experienced background in ski or snowboard instruction and/or race coaching, and shows the drive and initiative to become certified at the PSIA/AASI Level 2, and/or the US Ski and Snowboard Level 200 level within 2 years. Competitive ski team coaching experience preferred, but not required. Working knowledge of various athletic activities and facilities. Demonstrated effective planning, supervisory, and organizational skills. Demonstrated technological proficiency including a working knowledge of computer applications and smart phone applications (i.e. word processing, and excel spreadsheets, use of TimeStation App for clocking in and out).
