

# APPENDIX 2

## PNSA Quotas and Selection Deadlines

### Automatic Quotas

PNSA racers who are regional automatics to an event will not be included in the PNSA quota to those events allowing automatics.

### WR FIS Elite Series:

To the major regional events, any racers who have achieved the USSA point levels listed in the Western Region Policies and Procedures ("Western Region Automatics") will be automatics to the event. Gold medal winners of the U16 events and combined (if FIS-age eligible in the following season) are automatics in addition to selected automatics via point selection.

### WR FIS Open/NJR Series:

There are no automatics to this level of regional racing.

Exceptions:

1. WR automatics eligible by age for the event may attend the race/series, but must qualify via applied protocols.
2. Automatics who do not qualify by age may attend only if they are included in the Regional Director's Quota as a pace skier.

NOTE: There are no automatics to the Western Region U19-21, U16 or U14 Championships competitions
