

# NORDIC GUIDELINES AND PROCEDURES

## 4. The Nordic Competition Committee (NCC)

### NCC Membership

NCC membership is comprised of one representative from each PNSA member club, a Chairperson, officers, and heads of Sub-committees. If the chairperson, an officer or Sub-committee head are a club member they will serve as the club representative unless the club designates someone else. [See NCC roster on PNSA website.](#)

### Role of the NCC

To be responsible for divisional oversight for PNSA Nordic skiing. These responsibilities include, but are not limited to, creating a yearly budget, scheduling, athlete selection, coach selection, planning and other activities necessary to support divisional Nordic competition.

### NCC Chair

Selected by the [PNSA Board's](#) Executive Committee with input from the NCC. The NCC Chairperson's responsibility is to facilitate discussion within the Nordic Committee and the Nordic Community as a whole and lead the NCC to resolution on issues it needs to address. The Chairperson provides timely and accurate assessment of matters that affect Nordic skiing in the PNSA, facilitating discussion and promoting resolution for the general good of the division, and is the divisional representative to the USSA. The NCC Chair has a term length of 4 years and terms may be renewed at the PNSA Board's discretion.

### Voting & Appeals

Each NCC member club has one vote. (Members must be current with PNSA membership dues and a club representative must be present to vote.) The NCC Chair votes as a tiebreaker.

1. Any decision made by the NCC can be appealed to the NCC Chair.
2. Any decision made by the NCC Chair can be appealed to the PNSA EC.
