

### 3 – PNSA / U.S. SKI & SNOWBOARD PNSA CROSS-COUNTRY MEMBERSHIPS

#### U.S. Ski & Snowboard Membership

U.S. Ski & Snowboard has various membership options for competitors. Racers who are older than 14 and who want to race in the Junior National Championships or other national-level races must have a \$95 Competitor Membership. 14 and older, who want to race in U.S. Ski & Snowboard races (but not pursue the national level of competition), can save money by getting the \$15 annual General Membership.

Competitor Members will receive National Points when they race in U.S. Ski & Snowboard races, and a position on the National Ranking List. The General and One-Day Memberships do not provide access to the National Ranking List, but they do allow you to enter U.S. Ski & Snowboard races.

See [U.S. Ski & Snowboard XC membership options](#), including competitors, coaches, officials, and volunteers.
