

9 - PNSA SELECTION PROCEDURES

PNSA Selection Procedures are used to qualify PNSA racers for regional and national events where an official team will represent PNSA. Selection procedures vary depending on the level of competition/race. It is PNSA's philosophy that younger racers be rewarded for solid, all-event skiing, whereas the older, more experienced skiers are rewarded for excelling in a single event. All selection boards and final selections are on record and available in the PNSA office.

The Athletic Development Sub-committee of the ACC oversees PNSA Selections. The respective working group for each age class conducts specific selections.

- 1) U14 SUB-COMMITTEE WORKING GROUP
 - a) Western Region U14 Championships
- 2) U16 SUB-COMMITTEE WORKING GROUP
 - a) Western Region U16 Championships
- 3) U19-U21 SUB-COMMITTEE WORKING GROUP
 - a) All FIS events including:
 - i) Western Region Open FIS series
 - ii) Western Region Elite FIS series
 - iii) Western Region U19/U21 Championships

PNSA Double Selection Board

The PNSA Double Selection Board generally follows the same procedure as the Regional Double Selection Board Method as described in the U.S. Ski & Snowboard Alpine Competition Guide. However, the PNSA Double Selection Board order of events is as follows: GS, SL, SG & DH.

Rules for Setting up the Board

- 1) Only the events contested at the competition will be placed on the board.
- 2) The Place Points board comes first, followed by the National Points board.
- 3) Racers are awarded place points at identified selection races. A racer's best two results in each event are added together and placed in the appropriate column. Columns for each event are arranged with the top ranked racer first.
- 4) Only eligible PNSA athletes at the time of the selection will receive place points. Past and present members of the US Ski Team, racers from other divisions and racers normally excluded from the event will not be awarded place points.
- 5) Ties in Place Points:
- 6) A. Considering a racer's single best place point result in that event first breaks ties. Next, considering any unused place point result in that event breaks ties.
B. If, after all place point results have been considered, a tie still exists, the racer with higher National points (worse rank) on the current list at the selection deadline will be placed ahead of the other tied racer on the board. Only the National points of the event in which the tie exists will be considered.
- 7) The National Points board is arranged in columns for each event with the top ranked racer first, based on the identified selection races and the most current National points list.
- 8) For racers to be included on the National Points side of the board they must have competed in at least one of the selection races of the qualifying series.
- 9) When a tie exists on the National Points board the racer ranked higher on the Place Points board of the same event will be ranked first.

Selection

Selection is made by moving across the board, left to right, and choosing the racer in each column before moving to the next row. If a racer has previously been chosen from the board, that racer is skipped over and the selection procedure continues. If a column does not contain a racer, the blank column is skipped and selection continues across the board.

Example

Selection for a 4-event, 12-person team:

| Place Points Board | | | | National Points Board | | | |
|--------------------|----|----|----|-----------------------|----|----|----|
| GS | SL | SG | DH | GS | SL | SG | DH |
| A | B | E | D | A | X | D | C |
| G | D | Q | E | F | E | X | Z |
| R | Z | D | Q | Z | M | Q | D |
| F | Q | B | M | T | D | C | Q |

Selection: A, B, E, D, X, C, G, Q, F, Z, R, & M

PNSA Modified Double Board

The PNSA Modified Double Selection Board generally follows the same procedure as the PNSA Double Selection Board Method. However, the PNSA Modified Double Selection Board changes how the combined total of World Cup points is calculated, and changes the order of selection.

The World Cup point's board is the combined total of the best single-result from each of the disciplines in the qualifiers. Selection goes 1st WC points, then 1st National GS, 2nd WC Points, 1st National SL, 3rd WC points, 1st National SG, 4th WC points, 2nd National GS, etc. If a racer has previously been chosen from the board, that racer is skipped over and the selection procedure continues. If a column does not contain a racer, the blank column is skipped and selection continues.

Example

Selection for a 3-event, 11-person team:

| WC Points | Row | USSS Points | USSS Points | USSS Points | Ranking Order | Ranking Order | Ranking Order | Selection Order |
|-----------|-----|-------------|-------------|-------------|---------------|---------------|---------------|-----------------|

| C | 3 | E | B | C | 3-B-WC2 | 14-E-GS3 | 25-F-SL6 | 3 - B - WC2 |

| | | | | | 11-F-WC6 | 22-D-SL5 | | 11 - K - GS6 |

PNSA Single Selection Board

In case no selection races are held prior to the selection announcement date, or selections will be made only from points awarded at qualifying races, a single selection board will be used. In this case, only the defined points portion of the Double Board is utilized, i.e., National points when there are no selection races. The selection procedure for the Single Board is otherwise the same as that described for the double selection board.

Western Region FIS Elite Series Selection

A single selection board will be used to select PNSA teams to WR FIS Elite Series events, using the identified National Points List. (See *Intent* and *Selection* Deadlines in the Appendix.) There are no PNSA selection races for these races. Only the events contested will be placed on the board.

Eligibility to be placed on the Board

- 1) Racers must be licensed members in good standing of U.S. Ski & Snowboard and PNSA.
- 2) Racers must have submitted their PNSA Intent to Compete Form to the PNSA office as per guidelines. (See PNSA Intent to Compete procedures later in this section.)
- 3) Racers must be FIS-age eligible, plus have a current and active FIS license.
- 4) Racers who are in violation of the U.S. Ski & Snowboard Code of Conduct, U.S. Ski & Snowboard policy or PNSA policy will not be placed on the board.
- 5) Only PNSA racers who meet the Elite Pass criteria in one of the contested events will be included on the selection board.
- 6) Past and present members of USST, any racers normally excluded from the event, and any racers not eligible for the PNSA quota will not be placed on the board.
- 7) Racers may petition for discretionary consideration. (See Discretionary Policy later in this section.)

Alternate List

For all Western Region Elite FIS races an alternate list will include all eligible racers who have submitted an Intent to Compete Form to the PNSA office. If after notifying racers to the extent of this list, the PNSA quota is still not filled, no further racers will be selected.

Western Region FIS Open Series Selection

A single selection board will be used to select PNSA teams to WR FIS Open Series events. There are no PNSA selection races for these competitions. Only the events contested will be placed on the board.

Note: When a Western Region FIS Elite or Open Series race is used as a qualifying competition for any Championship event (2019 = Schweitzer in January, Snow King in February), Western Region may regulate and modify how quotas will be filled by divisions in the following manner:

- Fifty percent (50%) of any divisional quota must be allocated and offered to the age group that is qualifying to the championship event.
- Subsequent divisional quota expansions may or may not be restricted to an age category by the Regional Director.
- The remaining regional director's quota is not restricted by age category.

Eligibility to be placed on the Board

1. Racers must be licensed members in good standing of U.S. Ski & Snowboard and PNSA.
2. Racers must have submitted their PNSA Intent to Compete Form to the PNSA office as per guidelines. (See PNSA Intent to Compete procedures later in this section.)
3. Racers must be FIS-age eligible, plus have a current and active FIS license.
4. Racers who are in violation of the U.S. Ski & Snowboard Code of Conduct, U.S. Ski & Snowboard policy or PNSA policy will not be placed on the board.
5. All "Senior" competitors qualifying must hold a current FIS license and must have points on the current FIS list in at least one of the contested events.
6. Racers must meet the PNSA Elite Pass criteria in one of the contested events in order to be placed on the board.

**Coaches must file a petition for athletes (intending to compete in speed events) who do not meet the Elite Pass criteria in SG or DH.*

Alternate List

For the Western Region FIS Open/NJR Series an alternate list will include all eligible racers who have submitted an Intent to Compete Form to the PNSA office. If after notifying racers to the extent of this list, the PNSA quota is still not filled, no further racers will be selected.

Western Region U19-U21 Championships

The double selection board method will be used to fill the PNSA quota to the Western Region U19/U21 Championships, using the identified selection races and the most current National points list valid at the time of the selection. All PNSA NW Cup races held prior to the selection deadline will be used as selection races. A racer's best two results in each event will be counted.

Place points will be assigned to the top 30 PNSA finishers, who are eligible at the time of the selection, using World Cup points (See appendix). The best two results in each event will be used on the double selection board. The appropriate number of events, that is, only those events contested at the U19-U21 Championships will be placed on the selection board.

Eligibility to be placed on the Board

- 1) Racers must be licensed members in good standing of U.S. Ski & Snowboard and PNSA.
- 2) Racers must be age-eligible for the championship event.
- 3) Racers must have competed in at least one of the designated selection races.

Alternate List

The alternate lists for the Western Region U19/U21 Championships will have no limitations. All efforts will be made to fill the PNSA quota with eligible PNSA racers.

PNSA Single Selection Board for U16 RPS Event

A single selection board method will be used to fill the PNSA quota to the 2019 Western Region U16 RPS events using the most current National Points List valid at the time of selection. Only National Points will be placed on the board. All U16's will be considered for selection using the National Points Board.

Eligibility to be placed on the Board

- 1) Racers must be licensed members in good standing of U.S. Ski & Snowboard and PNSA.
- 2) Racers must be age-eligible for the championship event.
- 3) Order of events on the board will be GS then SL.
- 4) No discretionary selections.
- 5) Tie Breaker: In case of a tie in National Points, the SL & GS points of each tied athletes will be added together. The lowest SL/GS combined point total will be selected.
- 6) The team members will be announced after the U16 Working Group members validate the selection. Selected athletes will be announced 6 weeks prior to the start of the event.
- 7) Racers who are in violation of the U.S. Ski & Snowboard Code of Conduct, U.S. Ski & Snowboard policy or PNSA policy will not be placed on the board.

Western Region U16 Championships Selection

PNSA will be emphasizing head to head competition throughout the season for our U16 athletes. A single modified board based on accumulated World Cup points in each discipline from the U16 qualifiers, will be used to rank athletes. National points will not be used as selection criteria. A ranking list will be made by adding the (new) World Cup points of the best two results from each discipline: GS, SL and SG of qualifying competitions.

No selections by individual year of birth will be made.

Eligibility to be placed on the Board

- 9) Racers must be licensed members in good standing of U.S. Ski & Snowboard and PNSA.
- 10) Racers must be age-eligible for the championship event.
- 11) Racers must have competed in at least one of the designated selection races.
- 12) Racers who are in violation of the U.S. Ski & Snowboard Code of Conduct, U.S. Ski & Snowboard policy or PNSA policy will not be placed on the board.

Alternate List

The alternate list for the Western Region U16 Championships will have no limitations. All efforts will be made to fill the PNSA quota with eligible PNSA racers.

Team Announcement

The U16 Championship Team and the team alternates will be selected after the completion of the last PNSA U16 qualifying competition. The team members will be announced after the U16 Working Group members validate the selection.

U16 Championship Seeding

A ranking list for each event will come from the PNSA office.

World Cup points (total of best result in each event) and national points will be used in a double board seeding process. In the event of a tie, the racer with the lowest single race points in the event from the qualifier series will be ranked first. See Modified Double Board earlier in this chapter.

Western Region U14 Championships Selection

The single selection board method will be used to fill the PNSA quota to the Western Region U14 Championships, using the identified selection races and new World Cup Points as awarded in the qualifying races. Place points will be assigned to the top-30 eligible PNSA finishers for each run at the selection races. World Cup points will be assigned. A racer's best 2 single run results in each event will be used on the board. Racers will be ranked in a single column by accumulated points counted from all the events. Ties on the selection board list are broken by considering a racer's best unused place points result in any event. If a tie still exists, the 2nd best unused place point result will be used, etc. until the tie is broken. Selection will begin with highest ranked athlete (the athlete who has accumulated the most World Cup points) and continue down until the quota has been filled.

Eligibility to be placed on the Board

- 1) Racers must be licensed members in good standing of U.S. Ski & Snowboard and PNSA.
- 2) Racers must be age-eligible for the championship event.
- 3) Racers must have competed in at least one of the designated selection races.

Alternate List

The alternate list for the Western Region U14 Championships will have no limitations. All efforts will be made to fill the PNSA quota with eligible PNSA racers.

A racer must provide evidence to show why his or her ranking should be adjusted.

Examples of evidence to qualify for discretionary consideration include:

- a) Physician verification of injury or illness and proof that such injury or illness prevented a racer from maintaining competitive ranking.
- b) Results from a higher-level competition, e.g. Regional FIS race, Nor-Am, etc., that prevented a racer from competing in a qualifying event.
- c) Other proof that a racer's current ranking among his or her peers should be much better than indicated by the current selection procedure, i.e. results from recent competitions, prior season rankings, etc.

Foreign Competitors in PNSA

Foreign competitors racing for clubs within PNSA (U.S. Ski & Snowboard members with an “X” Competitors License and having paid their PNSA dues), may be eligible for PNSA selections to Western Region events. Foreign racers must submit a completed Intent to Compete Form to the PNSA office before inclusion on any selection board. Foreign racers will not receive place points from any selection races conducted prior to submitting the Intent to Compete Form. Place points are not retroactive. Foreign competitors must meet all other eligibility criteria, including the submission of an authorization letter from their national federation allowing them to compete in North American FIS races for the current season. This letter should be sent to the PNSA office prior to Nov. 15th.

PNSA Intent to Compete Policy

1. The PNSA Office will post a list of qualified, ranked athletes 30 days prior to the event.
2. Coaches will confirm/pull athletes by the posted deadline.
3. After the deadline, confirmed athletes will be sorted by their ranking.
4. Confirmed athletes must pay the trip fee for the event by the posted deadline to be included on the entry sheet.
5. All Intent deadlines and payment dates will be noted in advance on the [PNSA website](#).

Policy Regarding Racers Qualifying for PNSA Traveling Teams

7. PNSA will post a list of racers who qualify for PNSA Projects on the [PNSA website](#). Racers who are independent are required to provide the office with contact information.
8. Racers who will not be available for contact at their usual address must contact PNSA after the preliminary selection to verify their selection.
9. All racers notified that they have qualified for a team must be prepared to accept their selection by informing PNSA as directed. The next racer on the selection list will replace a racer who fails to confirm with PNSA by the deadline.
10. A racer who expresses the intention of competing, and fails to race without informing PNSA in time to affect a replacement, may be declared ineligible for the next PNSA Project. Any racer who pulls from an event after the preliminary selection deadline will be held responsible and invoiced for ALL non-recoverable costs.
11. All racers must have complete payment and paperwork into the PNSA office by the established deadline to be entered into the project.
12. Where a selected team member has failed to meet a financial obligation to the division, region or U.S. Ski & Snowboard, by deadlines for final naming of teams, the next person on the selection list will replace the racer.
